

Tutor for „Risk Management and Insurance“!

The Department of Risk Management and Insurance is searching for a tutor for the bachelor course „Risk Management and Insurance“ in WS 2014/2015

Responsibilities:

- Supervision of two tutorials per week (2 SWS each), starting in the last week of November 2014. The tutorials are to be held in English.
- Discussion of possible approaches to the solutions with the department staff.
- Self dependent preparation of classes

Requirements:

- Good grades.
- Completed course „Risk Management and Insurance“ with a good result in the exam.

You will work 8 hours per week, consisting of 4 hours of preparation and 2x2 hours of teaching, starting in the last week of November 2014.

Interested students should send their complete application (including cover letter and certificate of academic achievements) to Jeffrey Salaris, Jeffrey.Salaris@uni-koeln.de.

The deadline for applications is the 14th of September 2014
